## About Us and the Spaces at Victoria Baths

Award winning, Victoria Baths is a venue like no other and offers an unconventional backdrop to your wedding. It is a Grade II\* listed Edwardian swimming pool, originally opened in 1906 for local residents, it holds three pools and a Turkish baths suite, along with floor to ceiling decorative tiling and stunning stained glass windows. After closure as a public pool in 1993, a group of dedicated supporters formed the Victoria Baths Trust. Our weddings are part of our journey with all proceeds being used to fund the operation and preservation of Victoria Baths. All couples are offered free Friends Membership for the year following their wedding.

# The Ceremony

Make your way through the iconic floor-to-ceiling tiled entrance hall to your ceremony room - the spectacular Turkish Rest Room. Celebrant Tom Guest will perform your bespoke ceremony, you will have a chance to tailor the service before the big day. The ceremony will involve a hand fasting and you will receive a certificate to commemorate your commitment to each other.

After you've tied the knot, you will be able to get those all important photographs with our in-house photographer, Mark Newton, while your guests enjoy a fizz drinks reception in the quirky Female's Pool.

Once you're photos are done, it's time for carriages for you and your guests to head to your reception location.

Fun Fact: both the celebrant Tom and the photographer Mark, got married at VB themselves!
